THIS CONSTRUCTION CONTRACT ("Contract") dated as of _____, _____ by and between
_____ ("Owner") and
_____ ("Contractor").

Owner and Contractor, in consideration of the mutual covenants hereinafter set forth, agree as follows:

Article 1. Work.

Contractor shall construct the items identified in the Exhibit "A," ("Work") in accordance with the Contract Documents, as identified in Article 8 of this Contract on property which is located at _____ ("Property").

Article 2. Contract Time.

The Work will be completed on or before _____ ("Completion Date"), subject to modifications in approved Change Orders. The Completion Date shall be the date when the Work is sufficiently complete in accordance with the Contract Documents so that Owner can occupy or utilize the Property for its intended use ("Substantial Completion"). If Owner will pay Contractor for all or part of the Work with funds advanced by a lender, Substantial Completion shall be the date as defined by the loan documents. Before starting the Work, Contractor shall submit to Owner for review an estimated progress schedule indicating the starting and completion dates of various stages of the Work.

Article 3. Contract Price.

Owner shall pay to Contractor an amount equal to \$ _____ ("Contract Price") for completion of the Work.

Article 4. Change Orders.

Any increase or decrease in the Contract Price, change in the Work or change in the Contract Time must be set forth in a change order signed by Owner and Contractor and approved by the Lender ("Change Order").

Article 5. Payment Procedures

5.1. Progress Payments. Contractor shall submit to Owner a request for payment in a form agreed to by Owner and Contractor and approved by Lender ("Request for Advance") which shall cover a period of at least thirty (30) calendar days.

Within seven (7) calendar days after a Request for Advance is presented, Owner shall notify Contractor if Owner has any concerns about the Request for Advance that Owner believes should be resolved before Owner pays the amounts specified in the Request for Advance, and, in this event, Owner and Contractor shall promptly meet to address such concerns. Owner shall pay Contractor ninety percent (90%) of the full amount covered by the Request for Advance within fourteen (14) calendar days from the day it was presented while retaining ten percent (10%) thereof ("Holdback") to be paid simultaneously with the final payment. Payment may be withheld for: (1) failure to perform the Work in accordance with the

Contract Documents; (2) defective Work that is not corrected; or (3) failure of the Contractor to pay subcontractors or to pay for labor, materials or equipment when due.

5.2 Final Payment. Final payment of the balance of the Contract Price including the Holdback shall be made in accordance with the following procedures:

a. When Contractor considers the Work substantially complete, Contractor shall notify Owner in writing. Within a reasonable time thereafter, Owner and Contractor shall inspect the Work. Promptly after such inspection, Owner shall deliver to Contractor a written punch list of the items that must be completed in order for the Work to reach final completion ("Final Completion"). Alternatively, Owner shall deliver to Contractor a written statement that Final Completion has been reached because no punch list items remain to be completed.

b. If Owner delivers a written punch list to Contractor, then Contractor shall deliver to Owner a written notice that the Work is finally complete when Contractor believes that the punch list items have been completed. Then Owner and Contractor shall promptly inspect the punch list items. Promptly after such inspection, Owner shall deliver to Contractor either (i) a written statement that Final Completion has been reached or (ii) another written punch list of the items that still must be completed in order for the Work to reach Final Completion in which event the punch list procedure described above shall be repeated until all punch list items have been completed.

c. When Final Completion has been reached and after Contractor has delivered to Owner all maintenance and operating instructions, schedules, guarantees, certificates of inspection, marked-up record documents and other documents, Contractor may make application for final payment following the procedure for progress payments. The final Request for Advance shall be accompanied by all documentation called for in the Contract Documents, together with complete and legally effective releases or waivers (satisfactory to Owner and Lender) of all potential liens arising out of or filed in connection with the Work.

Article 6. Contractor's Representation.

In order to induce Owner to enter into this Contract, Contractor makes the following representation:

Contractor has familiarized itself with the nature and extent of the Contract Documents, Work site, locality, and all local conditions and laws and regulations that in any manner may affect cost, progress, performance or furnishing of the Work. Contractor is duly licensed to perform the Work as required by local laws and regulations.

Nothing in the Contract Documents shall create any contractual relationship between Owner and any such subcontractor, supplier or other person or organization, nor shall it create any obligation on the part of Owner to pay any such subcontractor, supplier or other person or organization except as may otherwise be required by laws and regulations.

8.6. Permits; Inspections. Contractor shall obtain and shall pay for all construction permits and licenses. Owner shall assist Contractor, when necessary, in obtaining such permits and licenses. At the completion of the Work, Contractor shall remove all waste materials, rubbish and debris from and about the Property as well as all tools, appliances, construction equipment and machinery, and surplus materials, and shall leave the Property clean and ready for occupancy by Owner.

8.9. Record Documents. Contractor shall maintain in a safe place at the Property one record copy of all drawings, specifications, addenda, written amendments, Change Orders, and the like in good order and annotated to show all changes made during construction which will be delivered to Owner.

Notwithstanding the foregoing, Owner shall bear the cost of such repair or replacement if the sole cause of the damage or destruction of the Work was Owner's negligence.

8.13. Warranty. Contractor warrants and guarantees to Owner that all Work will be in accordance with the Contract Documents and will not be defective. If within one year after the date of Final Completion or such longer period of time as may be prescribed by laws or regulations or by the terms of any specific provision or applicable special guarantee in the Contract Documents, any Work is found to be defective, Contractor shall promptly, without cost to Owner and in accordance with Owner's written instructions, promptly either correct such defective Work, or if it has been rejected by Owner, remove it from the Property and replace it with nondefective Work. If Contractor does not promptly comply with the terms of such instructions, or in an emergency where delay would cause serious risk of loss or damage, Owner may have the defective Work corrected or the rejected Work removed and replaced, and all direct, indirect and consequential costs of such removal and replacement (including but not limited to fees and charges of engineers, architects, attorneys and other professionals) will be paid by Contractor.

8.14. Indemnity and Hold Harmless. Contractor shall indemnify and hold harmless Owner against all loss, liability, cost expense, damage and economic detriment of any kind whatsoever that arises out of or results from performance of the Work but only to the extent caused in whole or in part by the acts or omissions of the Contractor. 9.15 Related Work at Property. Owner may perform other work at the Property which is not part of the Work by Owner's own forces or let other direct contracts therefor. Contractor shall afford Owner's own forces and each other contractor who is a party to such a direct contract proper and safe access to the Property and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work. Contractor shall do all cutting, fitting and patching of the Work that may be required to make its several parts come together properly and integrate with such other work. Contractor shall not endanger any work of others by cutting, excavating or otherwise altering their work and will only cut or alter their work with the written consent of Owner and the others whose work will be affected.
