

We're *quick*
with quality.

We know you're busy and that's why we want to make it as smooth as possible for you to close loans.

Provide us with all supporting documents per your DU & LP findings along with any additional applicable documentation for specialty products to ensure a **one touch file** and closing in as little as **9 days!**

Our underwriters are the first to review your file following submission, so why not ensure they have everything they need to move your file to CTC?
